If your council has not ordered their Basketball Free Throw Kits, order NOW, for arrival by the first week of January. Very important that all Council's follow the instructions as prescribed.

Each individual council is responsible to schedule their own BFT competition date. The competition dates should start Jan. 8th thru 22nd. Advise and invite your District Deputy.

All District Deputies are responsible for scheduling their District BFT competition date. The competition dates should start Jan. 29th thru Feb. 12th. The winners from each council compete in the District competition.

The Chapter BFT Chairman and/or the SJC President, is responsible for the Chapter BFT Competition date. The Chapter will schedule one date between Feb.19th thru Mar. 5th. We will need one location within the Chapter Area to hold the KC SJ Chapter BFT competition.

The KC State Competition will be announced sometime in March, 2nd or 3rd weekend. The Chapter winners will compete with all Chapters within the State.
