“The right to life is the foundation of every other right and liberty in our society. Of course, we are always working for justice and peace. But we can never “disconnect” this vital work from our defense of innocent life and human dignity.”

- Archbishop José H. Gomez

Be Informed

What is Prop 1?

Proposition 1 would enshrine the explicit right to abortion in our state constitution, setting a nationwide precedent. It is the most egregious expansion of abortion this country has ever seen.

It's also the first time ever that CA voters are being asked to vote for unrestricted late term abortion, ending any real chance for California to protect unborn life in future laws.

Recent in-depth polling shows that a strong majority of California voters oppose late term abortions, oppose turning California into an abortion sanctuary state, and oppose using tax dollars to pay for abortions.

Prop 1 is misleading, expensive, and unnecessary - and **we can stop it.**
