We currently have and support the following contest:

- 1- [Essay Contest](#)
- 2- [KCIC Poster Contest](#)
- 3- [Substance Abuse Poster Contest](#)

### Chapter Program Chairman's Message

Brothers would you like to get your youth involved in your Parish and Community? The Knights of Columbus have a poster program that will keep Christ close to their hearts during the year. The Keep Christ in Christmas Poster program is open to all youth from kindergarten through eighth grade. This is a change from previous years. No birth certificates are needed and Supreme has changed the program to award five winners now. So, new CPC-Kits are needed. You can download materials at the Supreme website, or you may order the CPC-Kit under Family. Please plan for at least 6 to 8 weeks to receive your kit. This Council Poster program should start in September and finish in early December for judging. We are planning on showcasing the Chapter winners during the 2024 Knights of Columbus State Annual Meeting in May.

Please come by to check out the winners.

Don Grishaw

Our KofC California San Joaquin Chapter 6 Chairman is: Don Grishaw

Please click on anyone of the program names above to access and download that package for the full details.
