The State Programs Team in conjunction with our Pro-Life Committee are excited to share with you the NOVENA FOR LIFE 2021. January 21 - 29

This collaborative endeavor is designed to straddle the West Coast and East Coast Pro-Life Walks from San Francisco, Los Angeles & San Diego to Washington DC and your hometown!

Our main focus is the various cities and KOC Councils that will host Pro-Life Walks, Prayer Vigils and Live Stream Virtual events

The Pandemic will not stop us from proclaiming the Dignity and Sacredness of Life in 2021.

Shortly we will send you a link to a webpage that will have links to various KOC State & Supreme Programs that uphold Life.

We will also send a pdf link with NOVENA PRAYER CARDS that you can utilize as needed for your Council & Chapter to promote, share and safely gather online to pray and foster the Fraternity of Life in our times.

We invite you to participate as you and your Council & Chapters decide.

Worthy State Deputy Steve Bolton's State Pin 2020-2021

Learn about Us...

Thanks to the efforts of Father Michael J. McGivney, assistant pastor of St. Mary's Church in New Haven and some of his parishioners, the Connecticut state legislature on March 29, 1882, officially chartered the Knights of Columbus as a fraternal benefit society. The Order is still true to its founding principles of charity, unity and fraternity.

The Knights was formed to render financial aid to members and their families. Mutual aid and assistance are offered to sick, disabled and needy members and their families. Social and intellectual fellowship is promoted among members and their families through educational, charitable, religious, social welfare, war relief and public relief works.

The history of the Order shows how the foresight of Father Michael J. McGivney, whose cause for sainthood is being investigated by the Vatican, brought about what has become the world's foremost Catholic fraternal benefit society. The Order has helped families obtain economic security and stability through its life insurance, annuity and long-term care programs, and has contributed time and energy worldwide to service in communities.
