

## Info about our KofC Chapter 6 Website

- 1- Our [Chapter Website](#) should be **BOOKMARKED** as this is where you will be able to access Any and all items associated with the Knights of Columbus.  
Our Homepage will provide access to everything needed:  
Menu items across the top of the page provides full access to our 4<sup>th</sup> Degree Masters Page and within the drop-down items all the Assemblies followed by each district within our Chapter with dropdown lists to access each council
- 2- At the left side of page near the top provides info from the Vatican.
- 3- At the right side of page near the top provides info from our Bishop & Prayer Events
- 4- Then across the page we have “**Blue Buttons**” to access all the important outside KofC Items
- 5- The rest of the homepage has 3 columns:
  - a. Left column: General Info and major Programs. Note within this column suggest that the District Page should be checked for Docs, Flyers, Guides, and other important items.
  - b. Center column displays “Coming Activates” and “Featured Activity.”
  - c. Right column links to Videos and contact info for all our Chapter Officers, Directors, and Committeemen.
  - d. Link to display the most current “Chapter Newsletter”
  - e. At the bottom a **BIG BLUE BUTTON** to provide access to all newsletters published within our Chapter.

**Important:** Most **items** shown on each [Chapter](#), [Assembly](#), and [District](#) homepages are **HYPERLINKS**. Just click on any one to access that content for that item.

The Knights of Columbus Supreme Website has a wealth of info to help.

- 1- Also Bookmark our Supreme “[For Members](#)” website to access a wealth of docs, guides, tutorials, and Forms
- 2- See the [Office Resource page](#) for specific info about what the various positions that will Provide you with access to “Guides” and support info for the respective position.
- 3- Another good reference handbook: [Protocol Handbook](#)
- 4- Another good reference: [Duties and Responsibilities of Council Officers, and Directors](#)
