Long-Term Care

How do you plan to pay for the care you may need someday?

Health insurance doesn't pay for long-term care services. Medicare coverage is limited. And relying on Medicaid may mean spending down assets to qualify. A Knights of Columbus Long-Term Care Insurance policy may be the best way to:

Pay for care in the setting you prefer.

Avoid the risk of depleting a lifetime of savings.

Continue to enjoy the life that you planned.
