

COUNCIL COMPASS

Immaculate Heart Council #3604

Grand Knight's Message

Well Brothers, another month has passed as well as another successful Knight's food event! Our Chicken a go-go was sold out as usual and although final numbers are not exact yet, it looks like we will have profited around \$3200. Even more importantly than the money, it's wonderful to be able to continue to gather as a group and build on the fraternity that is the hallmark of the Knights.

We were blessed this year to be able to present the Silver Rose Prayer Service in our parish. This program involves a minimal number of Silver Roses that begin their journey in Canada before traversing our country as they make their way to Mexico. The prayer services are to honor Our Lady of Guadalupe and promote the dignity of all human life. Our service was not as well attended as I had hoped for, but around 40 parishioners showed up to hear the story of the Rose, pray the rosary, and listen to a couple readings. It was something unique and enjoyable to participate in.

This month we will be having a recruitment weekend to help our council continue to grow. Since Fr. Luis is not back yet for me to get his blessing on this, I will send out an email about which weekend the event will occur. Although the date is not determined you should still begin talking to gentlemen who you think would be good brother Knights. Remember, increasing our numbers is important however we are looking for members who will participate in our efforts throughout the year. I realize that not everyone is able to be a part of every event we do. But we look for enthusiasm from members when they *are* able to participate. More information to come as I have it.

That's it brothers. The only other thing I can tell you is that I hope you enjoy the change in the weather since we have entered Fall!

Keith Druce - Grand Knight
